

Majed Mouawad

Computer Engineering Student at the University of Ottawa

Ottawa, ON

m.mmajed@hotmail.com

6138809968

Hard-working and high-achieving university student who is fascinated by computers and technology. Very future-oriented and loves working in a team and with people around. Eager to use his communication and social skills in any part-time job he's working.

Work Experience

Associate

Dollarama

September 2021 to Present

Volunteer

College de la Sainte Famille Fanar - Beirut

Social work in Lebanon to help kids, parents and elders in need. My classmates and I spent full days with the people in need, we brought them food, organized some activities for them, talked to them as well as tried to get closer to them while spending the day in their living place.
